EXPERIENCE

2019 Animation Teacher
June 2019 to present
Studio 23 Atlanta
Smyrna, GA

- Instruct children and teenagers each week on developing and animating characters while adhering to the principles of visual storytelling.
- Taught children and teenagers fabrication and fine arts in a number of different summer camps.
- Produced and edited weekly 10-15 minute instructional videos to keep students productive during COVID-19 pandemic.
- Teaching Assistant for Neurodevelopmental Art program, aiding in education for children with special needs.

2018 Learning Coordinator
August 2018 to present
ASIFA-South
Atlanta, GA

- Organized and hosted workshops at Children's Healthcare of Atlanta, the BronzLens Film Festival, the FAST Film Fest, and the Milton Branch Public Library.
- Coordinate and host monthly mixers with industry guest speakers at Joystick Gamebar
- Developed free public Google Classroom lessons taught by industry professionals during the COVID-19 pandemic.

2020 Online Tutor
July 2020
Varsity Tutors

- Developed and led a week-long LEGO animation course through Zoom during the COVID-19 pandemic, to up to approximately 1.2K digital attendees daily.
- Edited student's work together into compilations that live premiered on YouTube on the final day of class

2019 Substitute Teacher
October to November 2019
DaVinci International School
Atlanta, GA

- Acted as a stand-in for DeAnne Georges' afternoon animation class, advising students working on paper puppet animation projects and storyboards

2019 Teaching Artist
July 2019
Lang Carson Recreational Center
Atlanta, GA

- Hired on commission to teach young adults Stop-Motion animation for a hybrid live-action, animated music video produced at a production-centric summer camp run by re:imagine/ATL

2019 Audiovisual Teaching Assistant
May 2019
McNair High School
Atlanta, GA

- Educated students about the psychology behind shot choice when planning storyboards, and helped them develop and shoot short beauty product commercials
