EXPERIENCE

2019 - Video Production

December 2019 to present
Studio 23 Atlanta
Smyrna, GA

- During the height of the COVID-19 pandemic, I wrote, narrated and edited weekly 10 - 15 minute videos for my on-going teaching job, with visual aid sequences developed in After Effects.

2020 Short Film Production

January 2020 to present
Center for Puppetry Arts
Atlanta, GA

- Developed and directed a hybrid Stop-Motion/live puppetry production, *Politergeist*. Coordinated a team of fabricators, animators, performers and puppeteers for a series of performances at the Center for Puppetry Arts (date TBD).

2018 - Online Content Creation

August 2018 - Present
ASIFA-South
Atlanta, GA

- As Learning Coordinator with non-profit ASIFA-South, I've produced content for animation workshops and lectures, including video demonstrations of different sorts of **Van Aken Clay Products** for Van Aken International.

2020 After Effects Animation

February 2020
Atlanta Film Society
Atlanta, GA

- Riggered and animated motion graphics for the purpose of marketing the 2020 Atlanta Film Festival.

2019 Production Assistant

October 2019
School of Humans
Atlanta, GA

- As part of a brief apprenticeship program, I did After Effects Rotoscoping work on an announced and upcoming Netflix Original Series.

2018 - 19 ASIFA-South Incubator Selectee

September 2018 - March 2019
School of Humans/MikeRoweWorks
Atlanta, GA

- Chosen for a paid client project, producing, storyboarding and compositing in After Effects to create narrative videos for MikeRoweWorks.

2017 After Effects Animation

January - February 2017
FilmTribe
Atlanta, GA

- Worked with fellow students and employees to create Adobe After Effects Animations as bumpers between awards given out at the 2017 Addie Awards for Advertising at the Fox Theatre.
